

Social Accountability Policy

Happy, Healthy Living

Bidco Africa Group is committed to be a Socially Responsible Corporate Citizen and continually improve our performance in areas that we have control or can directly influence.

We have voluntarily chosen to implement a comprehensive system for managing ethical workplace conditions as a part of our business agenda.

So, we are committed to:

- Conform to all the requirements of standard SA8000.
- Comply with all legal and other subscribed obligations.
- Respect all International Law Organizations (ILO) and other International charters on social and labour issues.
- Review this policy regularly in order to continually improve it according to changes in Social requirements.
- Ensure that this policy is effectively implemented, maintained, and communicated.
- Make this policy accessible in a comprehensible form to all personnel engaged in Bidco Group in any manner.
