

OUR ENVIRONMENTAL POLICY

Happy. Healthy Living

We are firmly committed to the implementation of an environmental management system that will lead to sustainable development and will advance positive impacts on both human health and the environment

BELIEVING THIS GOAL TO BE FULLY ACHIEVABLE AT BIDCO:

- ✓ We are totally dedicated to preventing pollution in order to assure protection of human health and the environment, and are committed to achieve its continual improvement through the effective operation of an environmental management system
- ✓ We will go beyond compliance with all applicable environmental laws and regulations. However, where existing laws and regulations are not adequate we will establish and comply with our own standards
- ✓ We will review our environmental objectives and targets regularly
- ✓ in order to minimise resource consumption and improve our environmental performance
- ✓ We will review our policy where necessary to ensure our manufacturing, marketing and distribution activities, products and services are appropriate to nature, and have no adverse impacts on human health and the environment
- ✓ We will communicate our environmental policy to all our stakeholders
